

Profile

Douglass Screen Printers is a seventy year-old 4 million dollar screen and digital printing company operating in three locations across Lakeland, Florida. Product lines include decals, posters, banners, signs, tags, wraps and fascia (nameplates). We participate as volunteers and donors in our community and operate as an ethical and responsible employer. We employ a diverse and egalitarian team of 50 artisans, and use sustainable business practices for the common good of our planet (SGP Certification Pending).

Certifications

Douglass certified as a WBE by WBENC, NWBOC and the State of Florida. We are a Top 50, Quality Level II supplier to the US Government Printing Office. Douglass is also a certified DBE & 8(m) WOSB.

Douglass has an unparalleled reputation for product quality, depth of experience, and consistent delivery on or ahead of contract deadlines.
